OFFICE OF THE SUPERINTENDENT, MYSORE SERUM INSTITUTE, HEBBAL, BANGALORE.

Abstract Notification, dated 4th May 1936.

Attention of the public is invited to the detailed Notification, dated the 27th April 1936, published on pages 615 and 616, Part VI of the *Mysore Gazette*, dated 30th April 1936, regarding the auction sale of certain old and unserviceable articles of the Institute on 27th May 1936 at 3 P. M. at the Serum Institute, Hebbal, Bangalore.

SUPPLY OF HE-BUFFALOES.

Tender Notice dated 30th April 1936.

Sealed tenders will be received up to 3 P.M., on Wednesday the 17th June 1936, in the Office of the Superintendent, Serum Institute, Bangalore, for the supply of he-buffaloes to the Serum Institute, during the official year from 1st July 1936 to 30th June 1937.

2. Tenders should be made in sealed covers superscribed "Tenders for the supply of he-buffaloes to the Serum Institute," at Hebbal during the official year 1936-37. The rates should be for animals as described in para 12.

3. Every tenderer must deposit in the State Huzur Treasury, Bangalore, a sum of Rs. 100 as earnest money towards the tender in favour of the Superintendent, Mysore Serum Institute, Bangalore, and the treasury receipts obtained therefor should accompany the tender, without which the tender will not be considered.

4. The tenders will be opened by the Superintendent at 3-30 P.M. on the same day in the presence of such tenderers as may choose to attend.

5. About 120 he-buffaloes may be required during the official year and the exact number to be supplied may be more or less than the number mentioned.

6. The final acceptance of any tender will rest with the Director of Agriculture, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

7. The rates quoted should be in figures as well as in words.

8. The name of the successful tenderer will be intimated in due course and he will be required to execute an agreement as detailed in the sample copy available for reference in the office of the undersigned on a ten-anna stamp paper despositing in the State Huzur Treasury a sum equal to ten per cent of the value of the tender within seven days from the date of intimation of the acceptance of the tender as security deposit for the due fulfilment of the contract, in default of which his tender will be cancelled and the earnest money forfeited. The earnest deposit of the unsuccessful tenderers will be arranged to be refunded in due course. After acceptance of one of the tenders, the earnest money deposit of the successful tenderer will be refunded to him after his executing the necessary agreement bond.

9. The successful tenderer should be prepared to supply such number of animals as may be required from time to time upon indents from the Superintendent of the Institute within twenty days from the date of receipt of the indents.

10. No claim for any compensation or enhancement of prices on any account over the tendered rate will be entertained.

11. Payments to the contractor for buffaloes supplied will be arranged by the undersigned as soon as possible after the contractor submits in his bill for the same early in the following month with all the relative receipts attached thereto. The total of the bills amounting to Rs. 25 or more will be rounded to the nearest rupee ; *i.e.*, fractions of less than half a rupee will be disregarded and half a rupee and over taken as a rupee. The total of bills less than Rs. 25 will be rounded to the nearest anna.

12. The tenderers should note the following conditions as regards the supply of he-buffaloes :—

(*a*) tenders should be for the supply of only he-buffaloes which should be from 5 to 8 years of age in good condition and in perfect health ;

(*b*) each animal should weigh not less than 400 lbs. ; and

(*c*) animals which have been previously protected against Rinderpest by the S.S. method of inoculation and those which have recovered from a previous attack of Rinderpest as well as those that have been formerly in use in the Institute will not be accepted.

13. The undersigned reserves to himself the right to keep the animals under observation for one week prior to final acceptance and also to reject any animal at any time within the week of provisional acceptance without assigning any reason for the same. Such animals should be removed by the contractor immediately on receipt of notice to do so from the undersigned and they shall be replaced within a week by fresh and suitable animals. Should there be any delay in taking delivery of the rejected animals within four days from the date of intimation of rejecting the animals the

contractor shall pay feeding charges at eight annas per animal per day from the fifth day of intimation till the date of removal of those rejected animals; the amount so accrued will be deducted from the supply bill of the contractor, if in the meantime payment of the same in cash is not made by him.

14. A fine not exceeding Rs. 50 will be levied at the discretion of the undersigned for every infringement of the stipulation of the contract or for any attempt to impose upon the undersigned S.S. inoculated or rejected or used he-buffaloes, etc., and if the stipulations of the contract be frequently violated, the contract will be annulled and the security deposit forfeited to Government at the discretion of the undersigned, the contractor being made liable to make good to Government all the other losses consequently.

15. If, owing to any delay in supplying the he-buffaloes, the undersigned is forced to purchase them elsewhere, it will be done at the risk of the contractor and any extra cost so incurred will be recovered from him independently of any fine that may be levied on him under the above clause; but the tenderer shall not participate in the profits, if any, by such purchases.

16. The contract should not be sublet.

17. The decision of the undersigned shall be final in all questions of acceptance of he-buffaloes and infringement of the stipulation of the contract.

18. Any further information may be had from the undersigned on working days between 2 P.M. and 4 P.M. in his office.

SUPPLY OF BUFFALO BULL CALVES AND BULL CALVES.

Tender Notice dated 30th April 1936.

Sealed tenders for the supply of buffalo bull calves and bull calves required for the Mysore Serum Institute at Hebbal, Bangalore, during the official year from 1st July1936 to end of June 1937 will be received in the Office of the Superintendent, Serum Institute, Bangalore, up to 3 P.M. on Wednesday the 17th June 1936.

2. The tenders should be made in sealed covers superscribed "Tenders for the supply of buffalo bull calves and bull calves to the Mysore Serum Institute during the year 1936-37."

3. The tender rate quoted should be inclusive of all charges for free delivery of the calves at the Institute premises at Hebbal, or at the Institute Reserve Depot.

4. Every tenderer should deposit in the State Huzur Treasury a sum of Rs. 100 as earnest money towards the tender in favour of the Superintendent, Mysore Serum Institute, Bangalore, and the Treasury Receipt obtained therefor should accompany the tender without which the tender will not be considered.

5. The tenders will be opened by the Superintendent at 3-30 P.M. on thes ame day in the presence of such tenderers as may choose to attend.

6. About 300 buffalo bull calves and 30 bull calves may be required to be supplied during the year but the number is only approximate. If necessary, more or less than the number mentioned will have to be supplied.

7. For the supply of buffalo bull calves, two contractors may be selected out of the tenderers at the option of the undersigned. Each contractor should be prepared to supply from time to time the number of calves required of him by the Superintendent, Serum Institute, within the period specified by him. The rate approved by the Director of Agriculture should be accepted by the selected tenderers. If a selected tenderer does not accept the approved rate, any one else among the tenderers will be selected and given the contract.

8. The final approval of contractors for the supply of calves at the approved tendered rate will rest with the Director of Agriculture who does not bind himself to accept the lowest rate quoted or any tender or to assign any reason whatever for the rejection of any tender.

9. Everyone of the selected contractors will be considered as a separate and an independent supplier to the Institute.

10. The rate quoted should be in figures as well as in words. Separate rates should be quoted for buffalo bull calves and bull calves. The rate quoted for each item will be considered as a separate tender by itself.

11. No claim for any compensation or enhancement of rates on any account shall be entertained.

12. The name of the successful tenderers will be intimated in due course. Every successful tenderer will be required to execute an agreement as detailed in the sample copy available for reference in the office of the undersigned on a ten-anna stamp paper, depositing a sum not less than 10 per cent of the value of the tender as security deposit in the State Huzur Treasury, in favour of the Superintendent, Serum Institute, within seven days from the date of intimation of the acceptance of the tender for the due fulfilment of the contract, failing which his tender will be cancelled and the earnest money forfeited. The earnest money of the unsuccessful tenderers will be arranged to be refunded in due course. After acceptance of any two of the tenders, the earnest money deposit of the successful tenderers will be refunded to them after their executing the necessary agreement bonds.

13. Payments to the contractors for calves supplied will be arranged by the undersigned as soon as possible after the contractor submits his bill for the same early in the following month with all the relative vouchers. The total of bills amounting to Rs. 25 or more will be rounded to the nearest rupee, *i.e.*, fractions of less than half a rupee will be disregarded and half a rupee and over will be taken as a rupee. The totals of bills less than Rs. 25 will be rounded to the nearest anna.

14. The tenderers should note the following conditions as regards the supply of buffalo bull claves and bull calves :—

(*a*) Tenders should be for the supply of only buffalo bull calves and bull calves which should be from 1 to 3 years of age, in good condition and in perfect health.

(*b*) Each buffalo bull calf should weigh not less than 180 lbs., and each bull calf 150 lbs.

(*c*) Animals which have been previously protected against Rinderpest by the S.S. method of inoculation and those which have recovered from a previous attack of Rinderpest as well as those that have been formerly used in the Institute will not be accepted.

15. The undersigned reserves to himself the right to keep the animals under observation for four days prior to final acceptance and also to reject any animal at any time within those four days without assigning any reason for the same. Such animals shall be removed by the contractor immediately on receipt of intimation from the undersigned and they should be replaced within four days by an equal number of animals that may be acceptable to the undersigned. In case there is any delay in taking delivery of the rejected animals within two days at the latest from the date of intimation of rejecting the animals the contractor shall pay feeding charges at four annas per animal per day from the third day of intimation till the date of removal of those rejected animals; the amount so accrued will be deducted from the supply bill of the contractor if in the meantime payment of the same in cash is not made by him.

16. A fine not exceeding Rs. 30 will be levied at the discretion of the undersigned for every infringement of the stipulation of the contract or for any attempt to impose upon the undersigned S.S. inoculated or rejected or used buffalo bull calves and bull calves, etc., and if the stipulations of the contract be frequently violated, the contract will be annulled and the security deposit forfeited to Government at the discretion of the undersigned, the contractor being made liable to make good to Government all the other losses consequently.

17. If, owing to any delay in supply, the undersigned is obliged to purchase calves elsewhere he will do so at the risk of the contractor and any extra cost involved will be recovered from him independently of any fine that may be also levied on him as per para No. 16. But the contractor shall have no claim on the profits, if any, by such purchases.

18. The contract should not be sublet.

19. The decision of the undersigned shall be final in all questions of acceptance of buffalo bull calves and bull calves.

20. Any further information relating to the supply of buffalo bull calves and bull calves may be had from the undersigned on working days between 2 P.M. and 4 P.M. in his office.

PURCHASE OF HE-BUFFALOES.

Notice dated 30th April 1936.

Sealed tenders will be received in the office of the Superintendent, Mysore Serum Institute, Bangalore, upto 3 P.M. on Wednesday the 17th June 1936, for buying he-buffaloes which have been used in the Institute as and when they are ready to be disposed of at the Institute premises from 1st July 1936 to 30th June 1937.

2. Tenders should be sent in sealed covers and superscribed "Tneders for the purchase of done and branded he-buffaloes from the Institute."

3. A sum of Rs. 100 should be deposited in the State Huzur Treasury, Bangalore, as earnest money towards the tender in favour of the Superintendent, Mysore Serum Institute, Bangalore, and the treasury challan relating thereto should be attached to the tender, without which the tender will not be considered.

4. The rate quoted in the tender should be written in figures as well as in words.

5. About 30 buffaloes may be available about once in three months and they have to be removed on payment of the purchase money, from the Institute premises on the dates fixed by the undersigned which will be intimated to the contractor a fortnight in advance. This number is only approximate. If the Contractor delays in removing the he-buffaloes on the dates fixed by the officer, he will have to pay as feeding charges, annas eight per he-buffalo for every day of delay till the date of their removal, the maximum time allowed being ten days. This feeding charge should also be paid in cash together with the purchase money before he takes delivery of the animals. Failure to fulfil the above conditions on the part of the Contractor will entail forfeiture of the money deposited in the treasury and further, he must make good to Government any loss that may arise consequently.

6. The tenders will be opened by the undersigned at 3-30 P.M. on Wednesday the 17th June 1936 in the presence of such tenderers as may choose to attend.

7. The undersigned does not bind himself to accept the highest rate or any tender or to assign any reason whatever for the rejection of any tender.

8. No claim for any compensation for any reasons whatsoever shall be entertained.
9. The name of the successful tenderer will be intimated in due course.
10. Within seven days from the date of intimation of the acceptance of the tender, the successfull tenderer shall be required to execute an agreement bond (as detailed in the sample copy which may be seen for reference in the office of the undersigned) on a ten anna stamp paper furnishing a sum of Rs. 200 as security deposit towards the fulfilment of the contract, in default of which his tender will be considered cancelled and his earnest money will be forfeited.
11. The earnest money of the unsuccessful tenderers will be returned. After acceptance of any one of the tenders, the earnest money of the successful tenderer will be refunded after his executing the necessary agreement bond.
12. The contract should not be sub-let.
13. Preference will be given to tenders from raiyats.

Notice dated 30th April 1936.
